

9. CLUB RUNS REPORT

- **May Club Run – Presidents Run** – was held on the 17th May to miss Mother’s Day Sunday. There was a good turn-out for the Presidents Run and members met at the Feathers Hotel, Greenhill Road at 9.00am for a 9.30am departure. The ride headed through the northern area of the Adelaide Hills. Then headed down Anstey’s Hill Road (top of Grand Junction) where unfortunately Ian Rounsevell came off his bike. Fortunately, Ian wasn’t too seriously injured and was able to get in the backup trailer car with Mike and Chris Apthorpe. Members loaded his bike onto the backup trailer and the ride proceeded to Mal’s home for lunch.
At Mal’s home and ambulance was called for Ian once the extent of his soft tissue injuries under his jacket were revealed.
Mal and Ian praised and thanked the actions of club members on the ride in taking control of the situation, managing traffic around the accident site and looking after Ian and his bike.
The members were treated to a BBQ lunch at Mal’s and the group met Mavis Smith, a 92-year-old lady who worked in the BSA Factory at Small Heath as a ‘Tracer’ on the Ariel line in the ‘50s & ‘60s and had stories to tell of her working life at BSA and her and her husband’s adventures on their A10 Gold Flash.
- **June Club Run** – Dave Long will lead the run on Sunday and advised the meeting that the ride will depart from the clubrooms at 9.30am, heading for Balhannah via Flagstaff Hill, Clarendon where there will be re-group to pick up other members at the Stone Hut. The ride will then proceed to Wistow for ‘Brunch’ then to Harrogate, Ride will be approx 120kms. The weather forecast is for 17o and fine. Mike Apthorpe will be backup trailer driver.
- **July Club Run** - Howard advised the run will be to Angaston and the Historic Machinery Club will be providing lunch, approx cost \$20/head. The ride will depart from Highbury Hotel carpark Highbury. Meet at 9.00am for a 9.30am start. The ride will head for Williamstown for coffee, then onto Angaston for lunch.

10. EDITORS REPORT:

Chas thanked; Craig Silcock and Dave Robertson for their Run Reports, Fred Keale and Geoff Wood for their articles – without the efforts of club members the magazine would be a ‘non-event’, so please keep writing and sending in contributions.

Chas also advised the meeting that he had requested and received approval from the executive Committee members to update his computer software at a cost to the club of approx \$500. This update will bring his computer in line with today’s standards.
